

Respect Wildness... Practice the 7 Leave No Trace Ethics

- ◆ **Plan ahead and prepare:** Plan your trip carefully. Prepare for extreme weather, hazards and emergencies. Plan for the least experienced member of your party.
- ◆ **Travel and camp on durable surfaces:** Hike single file in the middle of the trail or side by side in areas without trails. Camp in hardened areas only, not in meadows or on vegetation.
- ◆ **Dispose of waste properly:** Pick up all spilled foods and trash. Disperse washing and cooking wastewater 70 adult steps (200') from camps and all water sources. Leave no evidence of your stay.
- ◆ **Leave what you find:** Leave plants, rocks, antlers and artifacts as you find them for others to enjoy.
- ◆ **Minimize campfire impacts:** Cook with a camp stove. Simply enjoy a candle lantern or the night sky.
- ◆ **Respect Wildlife:** Use carry-in/carry-out bear resistant food storage canister May 1st through October 31st. Minimize noise. Avoid lakes and streams at dawn and dusk.
- ◆ **Be considerate of other visitors:** Respect the quality of every visitor's experience.

EMERGENCIES: In case of emergency, call Park Dispatch at (970) 586-1203 or 911. Map (over) shows the location of the nearest phone.

Site Location: Site is in a mixed fir and spruce forest on north side of lake, northwest of Patrol Cabin. Lawn Lake was once a man-enlarged lake, but the dam broke in 1982 causing considerable flooding downstream and forming the Alluvial Fan and Fan Lake. The lake now exists at its original level. A wood sign indicates the path to the site; the path may be marked by red arrowheads on trees. **Camp safely away from standing dead trees, as near as is safely possible to the silver metal arrowhead.**
